### **Team Genesis/LOVE Swimming Mission**

The mission of Team Genesis/LOVE Swimming is to develop local talent in the community within our reach. We provide a door of opportunity where most times there is no door by providing a year round USA and AAU Swimming Outreach and Diverse Program committed to Water Safety Education, Waterproofing, Learn to Swim, Olympic Style Swim Lessons and Competitive Swimming to communities within our reach especially to “economically” disadvantage and “under-represented” youth. We hold each swimmer in the highest regard while continually building their self-esteem. Team Genesis/LOVE Swimming teaches that responsibility is standing up for others, to give and not to count the cost through the representation of the character of good sportsmanship and healthy activities (training, competition and social). Our mission provides a vehicle of opportunity necessary to establish a good citizen, provide positive supportive relationships, make enduring friendships and have great experiences that last a lifetime. Not only do we foster the enjoyment and love of competitive swimming, we strive for growth and excellence in our team members. With these principles as our foundation, Team Genesis/LOVE Swimmers do and will continue to excel at local, state, national and international levels.

We have enclosed our Corporate Sponsorship Levels and look forward to your support and look forward to being your partner in the development of good citizens by bringing a better quality of life physically and emotionally to our community.

In closing, we constantly share with our swimmers what a great schoolmaster once said, “it must be borne in mind that the tragedy in life doesn’t lie in not reaching your goal. The tragedy lies in having no goal to reach. It isn’t a calamity to die with dreams unfulfilled, but it is a calamity not to dream. It is not a disaster to be unable to capture your ideal, but it is a disaster to have no ideals to capture.
